Greetings to the entire Complete Care Linwood family.

Our Outbreak status with Covid-19 officially came to an end this week. We are still in regular communication with the department of health to ensure the safety of our residents and facility. We are using full transmission-based precautions when necessary to prevent the spread of this disease. Our vigilant administration and managers continue to do rounding, educating, and inspecting throughout each day. Group activities, communal dining, have and will be starting following state regulations. Please also note outside visits post quarantine, video chats, window visits, and arranging phone calls are all encouraged.

Please reach out if you have any more questions at

Stay safe, Best regards,

Patricia Hedeman, Administrator
